Brief Description of Institution

The history of Kanazawa University begins with the Kaga Domain's Hikoso Vaccination Center, which was founded in 1862. It is a comprehensive university that inherits the history and traditions of its predecessor schools. To this day, we continue to tirelessly innovate to contribute to the region and the world through education, research, and contributions to society based on these activities.

In terms of research, we are implementing various initiatives under the Interfaculty Institute for Frontier Science to accelerate our contributions to society through future-oriented intelligence driven by basic, applied, and social empirical research.

In terms of education, we are promoting an integrated education and support system from elementary education to graduate school under the Interfaculty Institute for Future Education.

Promote contributions to society through future-oriented intelligence following an all Kanazawa University approach under unwavering vision for the future Kokorozashi.
